New York.

Gentlemen:-

I take the liberty of inquiring how I can  
procure copies of the various Numismatic Notes and  
Monographs issued and distributed by your society.

I am very much interested, as an incipient  
collector, in the monograph by Mr. Gillingham (No. 11) on  
"French Orders & Decorations" and should like to procure a  
copy. If you will advise me of the cost, I will remit same.

Believe me to be,

Yours very faithfully,

Dear Sirs:

I have your letter of May 8th, and we can supply you with a copy of Mr. Gillingham's monograph for Two Dollars.

If you are interested in Decorations or any other branch of numismatics, perhaps you will consider an invitation to become an Associate member of this Society. The dues are but Five Dollars annually. You would thereby receive our publications and also have the privilege to subscribe for any medals which may be issued by the Society. The enclosed folder will give you a brief statement of our objects, together with an application card which I should be glad to have you fill out and return to me should you decide to affiliate yourself with our Society.

Very truly yours,

Secretary
